9:00 AM TO 4:00 PM

CLOVERDALE PLAZA, CLOVERDALE

Bringing Business, Local Government and Community Leaders Together to Support a Sustainable Economy

Join leaders representing Sonoma County government, business, agriculture, education and nonprofit organizations as we work together to design the future of sustainability in our Sonoma County communities.

Learn about our community-wide efforts to create new solutions, celebrate our successes, and share our 8 years of experience for our region. These include a healthy business environment, an exceptional quality of life and reduced greenhouse gas emissions.

CPEP8 conference is hosted by a different Sonoma County city each year.
